

**Special Economic Zones (SEZs) as Catalysts for
Economic Corridors, Value Chains and Production Networks Training**

7-11 May 2018, Asia Pacific Finance and Development Institute, Shanghai, People's Republic of China

Proposed Design/Schedule (Draft as of 4 May 2018)

Venue: U-shaped Classroom II, 1st Floor, Lecture Building III

Day 1, 7 May 2018, Monday

Module 1: Development Context and SEZs Design, Implementation and Management

0800-0815	<p>Registration Administrative Announcements</p>
0815-0845	<p>Opening Ceremonies Welcome Remarks and Messages Group Photo</p>
0845-1015	<p>Pre-test</p> <p>Session 1.1 Introduction and Training Roadmap <u>Interactive Exercise: Getting to Know You, Expectations Check and Training Overview and Objectives</u> <i>Pamela Asis-Layugan, Team Leader and Training Specialist (Consultant) and Jordana Queddeng-Cosme, Program Analyst (Consultant), ADB-RCDTA 8836</i></p> <p>Interactive session for participants to get to know each other, develop learning contract and discuss the training overview and objectives.</p>
1015-1030	<p>Tea/Coffee Break</p>
1030-1200	<p>Session 1.2 <u>Presentation, Discussions and Exercises:</u> Understanding Special Economic Zones (SEZs) as a Policy Option <i>Aradhna Aggarwal, Chair Professor, Department of International Business and Economics, Copenhagen Business School</i></p> <p>The session will present SEZs concepts, types, evolution, rationale, role in economic development, benefits, linkages with development strategies and future trends. Interactive and small group exercises included.</p>
1200 - 1330	<p>Lunch (2nd Floor, Dining Hall III)</p>
1330 - 1500	<p>Session 1.3 <u>Presentation, Discussions and Exercises:</u> Strategy Building and Policy Design for Effective SEZs <i>Aradhna Aggarwal, Chair Professor, Department of International Business and Economics, Copenhagen Business School</i></p> <p>The session will introduce factors that lead to effective design, implementation and management of SEZs which can include land use and spatial planning, infrastructure and support services, institutional design and approaches, investment promotion, business development services, labor market development, and monitoring and evaluation. Interactive and small group exercises included.</p>

1500 - 1515	Tea/Coffee Break
1515 - 1530	<p>Session 1.4 <u>Instruction for Workshop and Exercise:</u> SEZs as Development Approaches in BIMP-EAGA, IMT-GT and GMS <i>Pamela Asis-Layugan, Team Leader & Training Specialist (Consultant), ADB RCDTA 8836 and Participants in Multi-country teams</i></p> <p>Participants organized in teams (BIMP-EAGA, IMT-GT and GMS) to assess and present (Day 2) the subregional cooperation programs (SCPs): (i) SEZs development approaches (e.g. as part of economic corridors); (ii) benefits and opportunities; (ii) challenges and bottlenecks in SEZs design, implementation and management; and (iv) recommendations at national and subregional levels. Guide questions and template to be provided.</p>
1530-1630	<p>Session 1.5 <u>Workshops and Exercises:</u> SEZs as Development Approaches in BIMP-EAGA, IMT-GT and GMS <i>Pamela Asis-Layugan, Team Leader & Training Specialist (Consultant), ADB RCDTA 8836 and Participants in Multi-country teams</i></p>
1645 - 2000 (includes travel time)	Welcome Dinner at the Shanghai Oriental Pearl Tower

Day 2, 8 May 2018, Tuesday

Module 1: Development Context and SEZs Design, Implementation and Management

Module 2: Measuring Impact and Performance of SEZs

Module 4: SEZs as Catalyst for Economic Corridors and Platforms for Value Chains and Production Networks

0830-1000	<p>Session 2.1 <u>Presentation, Discussion and Exercises:</u> Implementation, Monitoring and Evaluation: How to Ensure the Effective Implementation of the Policy <i>Aradhna Aggarwal, Chair Professor, Department of International Business and Economics , Copenhagen Business School</i></p> <p>The session will present different practices regarding the types of SEZs developed and their relevance in the overall context taken by countries in various subregions in Asia (e.g. Southeast Asia, East Asia, Central Asia and South Asia). Good practices, pitfalls to be avoided, and drawing common lessons will be highlighted. National and subregional implications and SEZs as tools in regional cooperation and integration will be emphasized. Interactive and small group exercises included.</p>
1000-1015	Tea/Coffee Break
1015-1200	<p>Session 2.2 <u>Lecture and Discussions:</u> SEZs Experience of Selected Asian Countries <i>Aradhna Aggarwal, Chair Professor, Department of International Business and Economics, Copenhagen Business School</i></p> <p>The session will present SEZ performance in Asia and other continents and will include tools, evaluation of performance and success drivers. Interactive and small group exercises included.</p>

1200-1330	Lunch (2nd Floor, Dining Hall III)
1330-1500	<p>Session 4.1 Presentation and Discussion: Special Border Economic Zones (SBEZs): Concepts, Characteristics and Applications <i>Alfredo Perdiguero, Director, Regional Cooperation and Operations Coordination Division (SERC), Southeast Asia Department (SERD), ADB</i></p> <p>The session will present concepts, characteristics, and models of special border economic zones (SBEZs). Components and stages of developing a “cross-border or area-based cooperation” strategy will be tackled. A conceptual model for SBEZ development in IMT-GT (Thai-Malaysia border crossings with linkages to Indonesia) to include rationale, criteria in establishing SBEZs to be presented given the study is part of a broader project that intends to support SBEZ development. The results of the study on border areas and value chains development in BIMP-EAGA specifically between Sabah (Malaysia) and North Kalimantan (Indonesia) will be presented including components, potential strategies and pilot projects.</p> <p>The establishment of SBEZs in IMT-GT and BIMP-EAGA are expected to help attract investors in productive activities that promote subregional value chains in order to stimulate cross-border trade and investment, serve as a catalyst to promote commerce along the economic corridors and help improve social and economic welfare of the population along the border provinces</p>
1500-1515	Tea/Coffee Break
1515-1715	<p>Session 1.6 Plenary Presentations: SEZs as Development Approaches in BIMP-EAGA, IMT-GT and GMS <i>Pamela Asis-Layugan, Team Leader & Training Specialist (Consultant), ADB RCDTA 8836 and Participants in Multi-country teams</i></p> <p>Participants organized in teams (BIMP-EAGA, IMT-GT and GMS) to present workshop outputs on: (i) SEZs development approaches (e.g. as part of economic corridors); (ii) benefits and opportunities; (ii) challenges and bottlenecks in SEZs design, implementation and management; and (iv) recommendations at national and subregional levels. Guide questions and template to be provided.</p>
1730-2000 onwards	Participants make own dinner arrangements

Day 3, 9 May 2018, Wednesday

Module 3: China’s Experience in Developing Economic Zones

0830-1000	<p>Session 3.1 Presentation and Discussions (Q&A): An Overview of Development Zones in China: Trends, Problems and Prospects <i>Yin Xingmin, Professor and Deputy Director, China Center for Economic Studies, Fudan University</i></p> <p>This session will introduce the objectives and history of China’s SEZs and industrial development zones (IDZs). The presentation will include the SEZs and IDZs: (i) policies design and development; (ii) progress of IDZs based on clusters; (iii) contribution to national economy; and (iv) key success factors and lessons learned. Case studies on the Kunshan export-processing zones (EPZs) and Shenzhen SEZ in PRC will be featured.</p>
1000-1015	Tea/Coffee Break

1015-1200	<p>Session 3.2 Presentation and Discussion (Q&A): China's Pilot Free Trade Zones (FTZs) and Further Reform and Opening Policy <i>Xu Mingqi, Professor, Shanghai Academy of Social Sciences, Secretary-general of Shanghai Research and Coordination Center for FTZ Studies</i></p> <p>This session will introduce China's pilot FTZs using the Shanghai FTZ as example. It will highlight the reform process and lessons in terms of foreign investment, trade facilitation, government administration, financial opening and services sector, among others.</p>
1200-1330	<p>Lunch (2nd Floor, Dining Hall III)</p>
1330-1700	<p>Sessions 3.3-3.4 Technical Field Visit: Shanghai Pilot Free Trade Zone <i>Zhu Ming, Director, Office of Cooperation and Exchange, Shanghai Municipal Government</i> <i>TBC, Administrative Officer of Shanghai Pilot Free Trade Zone</i></p> <p>Participants will visit the Shanghai Pilot Free Trade Zone Comprehensive Service Center. During the visit, an administrative officer will give a general introduction of the development and management of the SHFTZ, in particular the streamlined administration procedures in the SHFTZ.</p>
1730 onwards	<p>Free time and participants shopping down town</p>

Day 4, 10 May 2018, Thursday

Module 3: China's Experience in Developing Economic Zones

Module 4: SEZs as Catalyst for Economic Corridors and Platforms for Value Chains and Production Networks

0830-1000	<p>Session 3.5 Presentation and Discussion (Q&A): Suzhou Industrial Park: Planning, Development and Management <i>Chen Qining, Board Member, President of SCP (China) and Chief Planner</i></p> <p>This session will draw on the successful experience of the development of Singapore, and take Singapore's successful experience in Suzhou Industrial Park, which is a jointly developed by China and Singapore, as an example to illustrate the planning, design, development and management of SEZ.</p>
1000-1015	<p>Tea/Coffee Break</p>
1015-1115	<p>Session 4.2 Presentation and Discussion (Video-conference): Health Risks and Opportunities across Economic Zones and Border Development in the GMS: SEZ Health Impact Assessment Framework <i>Dr. Susann Roth, Senior Social Development Specialist,</i> <i>Sustainable Development and Climate Change Department, ADB</i></p> <p>The session will feature ADB's newly developed framework for identifying, mitigating and managing health risks in economic zones and border areas in the GMS. It will highlight successes and lessons learned and a way forward for project, national, bilateral and regional approaches in managing health risks and opportunities for SEZs especially in the border areas.</p>

1115-1215	<p>Session 4.3 Presentation and Case Discussion (Videoconference): Development of Special Economic Zones: The Experience of Central Asia (TBC) <i>Guoliang Wu, Senior Regional Cooperation Specialist, Central West Regional Department, ADB</i></p> <p>The session will feature the experience of Central Asia in developing SEZs including key success factors and lessons learned.</p>
1215-1330	Lunch (2nd Floor, Dining Hall III)
1330-1500	<p>Session 2.2 Plenary Presentations: SEZs Country Case Studies in BIMP-EAGA, IMT-GT and GMS <i>Aradhna Aggarwal, Pamela Asis-Layugan and Participants in Country teams</i></p> <p>Participants organized in country teams <u>assess SEZs</u> (in particular country) prepare and present in terms of: (i) links to development strategies; (ii) type of SEZs; (iii) success factors; (iv) performance drivers; (v) institutional design and approaches; and (vi) measuring outcome, performance and impact.</p>
1500-1515	Tea/Coffee Break
1515-1700	<p>Session 4.4 Integration Exercise: Framework and Action Agenda for SEZs development and Cooperation in BIMP-EAGA, IMT-GT and GMS <i>Aradhna Aggarwal, Pamela Asis-Layugan and Participants in Multi-country teams</i></p> <p>Participants organized in teams (BIMP-EAGA, IMT-GT and GMS) undergo integration exercise to apply concepts, tools, success factors and lessons learned in the training. The main output will be proposed Framework and Action Agenda for SEZs development and cooperation at national and subregional levels to be presented on Day 5. Guidelines and template to be provided.</p>
1730 onwards	<p>Participants free time Evaluation form online</p>

Day 5, 11 May 2018, Friday

Module 4: SEZs as Catalyst for Economic Corridors and Platforms for Value Chains and Production Networks

0900-0930	Post Test
0930-1015	<p>Session 4.5 Integration Exercise: Framework and Action Agenda for SEZs Development and Cooperation in BIMP-EAGA, IMT-GT and GMS <i>Participants in Multi-country teams</i></p> <p>Participants organized in teams (BIMP-EAGA, IMT-GT and GMS) work on integration exercise.</p>
1015-1030	Tea/Coffee Break

1030-1200	<p>Session 4.6 Integration Exercise: Framework and Action Agenda for SEZs Development and Cooperation in BIMP-EAGA, IMT-GT and GMS <i>Participants in Multi-country teams</i></p>
1200-1330	Lunch (2nd Floor, Dining Hall III)
1330-1500	<p>Session 4.7 Plenary Presentations (Part 1): Framework and Action Agenda for SEZs Development and Cooperation in BIMP-EAGA, IMT-GT and GMS</p> <p>Participants to present exercise outputs and experts to provide comments/guidance.</p>
1500-1515	Tea/Coffee Break
1515-1630	<p>Session 4.8 Plenary Presentations (Part 2): Framework and Action Agenda for SEZs Development and Cooperation in BIMP-EAGA, IMT-GT and GMS</p> <p>Participants to present exercise outputs and experts to provide comments/guidance.</p>
1630-1730	<p>Synthesis and Moving Forward Closing Ceremonies (Awarding of Certificates, Remarks and Messages) Group Photo</p>
1800 onwards	Closing Dinner (Restaurant in Qibao Ancient Town)

Note: Participants depart to home countries on Saturday, 12 May 2018
