

**Country Water Assessment Final Workshop
and
South-South Water Management Experience Sharing**

**Sponsors: Ministry of Water Resources (MWR)
Asian Development Bank (ADB)**

**Organizers: General Institute of Water Resources and Hydropower
Planning and Design (GIWP)**

Beijing – Yichang – Wuhan, People's Republic of China

21 – 25 June 2016

Program Overview

June 20, Monday	Arrival in Beijing
June 21, Tuesday	Country Water Assessment Final Workshop
June 22, Wednesday	South–South Water Management Experience Sharing Seminar
June 23, Thursday	AM: Field visit in Beijing PM: Fly to Yichang, Hubei province
June 24, Friday	AM: Field visit to Three Gorges, Yangtze River PM: Travel to Wuhan, Hubei province by express train
June 25, Saturday	AM: Field trip to Changjiang (Yangtze) Water Resources Commission and discussion PM: Field visit to ADB-financed Wuhan Wastewater Treatment Project
June 26, Sunday	Departure from Wuhan

People's Republic of China
Country Water Assessment Final Workshop

June 21 CWA Final Workshop

Meeting Venue: Grand Ballroom, 2nd Floor, Beijing CTS Grand Metro Park Hotel

Time	Contents
8:30–9:00	Registration
Session I: Opening Session Chair: Ms. Wu Nongdi, Director, Department of International Cooperation, Science and Technology (DICST), MWR	
9:00–9:20	Welcome remarks (20 mins) Mr. Li Ge, Deputy General Director, DICST, MWR Ms. Amy Leung, Deputy Director General, East Asia Regional Department (EARD), ADB
Session II: Country Water Assessment, PRC Moderator: Mr. Zhang Qingfeng, Director, Environment, Natural Resources and Agriculture Division, EARD and Chair of Water Sector Committee, ADB	
9:20–10:10	Outputs of the CWA Presentations (30 mins) Mr. Li Yuanyuan, Water Resources Policy Specialist/Team Leader, Vice President, GIWP Mr. Daniel Gunaratnam, Water Resources Management Specialist/Deputy Team Leader Panel discussion (20 mins) Mr. Yin Chengjie, Ex-Executive Vice Minister, Ministry of Agriculture Mr. Ning Yuan, Ex-Vice President, Office of the State Council of the South-to-North Water Diversion Project Construction Committee Mr. Zhou Yaozhou, Senior Water Resources Specialist, East Asia Department (EARD), ADB One DMC representative
10:10–10:25	Introducing Asian Water Development Outlook 2016 (10 mins) Ms. Yasmin Siddiqi, Principal Water Resources Specialist, Sustainable Development and Climate Change Department (SDCC), ADB Q & A (5 mins)
10:25–10:50	Group Photo and Coffee Break
Session III: Multi Dimensions of CWA (Part 1) Moderator: Mr. Li Yuanyuan, Water Resources Policy Specialist/Team Leader, Vice President, GIWP	
10:50–11:30	Economic Water Security Presentation (15 mins) Ms. Yu Lili, Senior Engineer, GIWP Panel discussion (25 mins) Mr. Bruce Flory, Water Resources Economist / Principal Economist in Seattle Public Utilities Ms. Yasmin Siddiqi, Principal Water Resources Specialist, SDCC, ADB or Ms. Yu Fei, Senior Economist, EARD, ADB Ms. Liu Yingqiu, Professor, Academy of Macroeconomic, NDRC Mr. Zhang Guoliang, Ex-President, Bureau of South to North Water Transfer of Planning,

Time	Contents
	Designing and Management, MWR One DMC representative (TBD)
11:30–12:10	<p>Environmental Water Security</p> <p>Presentation (15 mins) Mr. Zhao Xuetao, Director, Chinese Academy for Environmental Planning (CAEP), Ministry of Environment Protection (MEP) Mr. Philippe Bergeron, Urban Development Specialist</p> <p>Panel discussion (25 mins) Mr. Frank Radstake, Principal Environment Specialist, EARD, ADB Mr. Gu Hao, Ex-Director General, General Office, MWR One DMC representative</p>
12:10–13:30	Lunch Break (Cetenary Coffee Lounge, 1st Floor)
<p>Session III: Multi Dimensions of CWA (Part 2)</p> <p>Moderator: Mr. Daniel Gunaratnam, Water Resources Management Specialist/Deputy Team Leader</p>	
13:30–14:10	<p>Urban Water Security</p> <p>Presentation (15 mins) Mr. Philippe Bergeron, Urban Development Specialist Ms. Mo Li, Nat'l Urban Water Supply and Demand Management Specialist / Director, Chinese Academy of Urban Planning and Design, Ministry of Housing and Urban-Rural Development (MHURD)</p> <p>Panel discussion (25 mins) Ms. Kong Yanhong, Vice President, CAUPD, MHURD Mr. Zheng Baochang, Senior Project Officer (Water Supply and Sanitation), Resident Mission in the PRC, ADB Mr. Xia Qing, Ex-Vice President, Chinese Research Academy of Environmental Science, MEP One DMC representative (TBD)</p>
14:10–14:50	<p>Ecological Water Security</p> <p>Presentation (15 mins) Mr. Yuan Yong, Senior Engineer, GIWP Mr. Jose Furtado, Int'l Watershed Ecosystem Management Specialist</p> <p>Panel discussion (25 mins) Mr. Alvin Lopez, Senior Natural Resources and Agriculture Specialist, EARD, ADB Mr. Jin Leshan, Professor, China Agricultural University Ms. Cui Lijuan, Director, Wetland Protection and Management Center, State Forestry Bureau One DMC representative (TBD)</p>
14:50–15:30	<p>Water-Related Disaster</p> <p>Presentation (15 mins) Mr. Cao Jianting, Climate Adaptation Specialist / Professor, GIWP</p> <p>Panel Discussion (25 mins) Ms. Suzanne Robertson, Natural Resources and Agriculture Specialist, EARD, ADB Mr. Ren Guangzhao, Ex-Deputy Director General, Department of Water Resources,</p>

Time	Contents
	MWR Mr. Luo Yong, Professor, Center for Earth System Science, Tsinghua University Mr. Yoshiaki Kobayashi, Senior Water Resources Specialist, EARD, ADB One DMC representative
15:30–15:45	Coffee Break
	<p style="text-align: center;">Session IV: Multi Dimensions of CWA (Part 3)</p> Moderator: Mr. Frank Radstake, Principal Environment Specialist, EARD, ADB
15:45–16:35	<p>Water Governance</p> <p>Presentation (15 mins) Mr. Tang Kewang, Water Resources Planning Specialist / Professor, China Institute of Water Resources and Hydropower Research (IWHR)</p> <p>Debate (35 mins) – “Water governance is a key challenge for our countries” vs. “Water governance is not a key challenge for our countries”. Participants to break up in to 2 groups, facilitated by Ms. Suzanne Robertson, Natural Resources and Agriculture Specialist, EARD, ADB and Ms. Shahbano Tirmizi, Water Resources Specialist, EARD, ADB.</p> Debate preparation in two groups (20 mins) Debate (15 mins)
16:35–17:00	Open Discussion
<p style="text-align: center;">Session IV: Closing Plenary</p> Chair: Ms. Wu Nongdi, Director, DICST, MWR	
Welcome Dinner – 17:30	

South–South Water Management Sharing Seminar

June 22- Water Policy and Technology Exchange Seminar

Meeting Venue: Grand Ballroom, 2nd Floor, Beijing CTS Grand Metro Park Hotel

Time	Contents
8:20–8:40	Registration
	Welcome Remarks Moderator: Ms. Wu Nongdi, Director, DICST, MWR
8:40–8:50	Mr. Li Ge, Deputy Director General, DICST, MWR Mr. Zhang Qingfeng, Director, Environment, Natural Resources and Agriculture Division, EARD and Chair of Water Sector Committee, ADB
	Theme 1: Water Policy and Institutional System Moderator: Ms. Wu Nongdi, Director, DICST, MWR
8:50–9:10	<i>Development and Achievement of the Strictest Water Resources Management System</i> Ms. Tian Qi, Director, Department of Water Resources, MWR
9:10–9:15	Q & A
09:15–9:35	<i>Agriculture Water Pricing Policy in China</i> Mr. Wang Guanjun, Deputy General Director, Development Research Center, MWR
9:35–9:40	Q & A
9:40–10:10	<i>Presentations by DMCs</i> Representative from Cambodia, Indonesia, Mongolia (TBC)
10:10–10:20	Q & A
10:20–10:40	Group Photo and Coffee Break
	Theme 2: Flood Control, Drought Relief and Disaster Mitigation Moderator: Mr. Zhou Yaozhou, Senior Water Resources Specialist, EARD, ADB
10:40–11:00	<i>Flood and Drought Management in China</i> Mr. Ding Liuqian, Director, Research Center on Flood and Drought Disaster Reduction, IWHR
11:00–11:05	Q & A
11:05–11:15	<i>Flood Risk Management in Asia: From Knowledge to Action</i> Mr. Rabindra Osti, Water Resources Specialist, EARD, ADB
11:15–11:20	Q & A
11:20–11:50	<i>Presentation by DMCs</i> Representatives from Bangladesh, Nepal, and Pakistan (TBC)
11:50–12:00	Q & A
12:00–13:30	Lunch Break (Cetenary Coffee Lounge, 1st Floor)
	Theme 3: Water Resource Planning and Project Management Moderator: Mr. Li Yuanyuan, Vice President, GIWP
13:30–13:50	<i>Water Resources Planning System in China</i> Mr. Li Jianqiang, Deputy Chief Engineer, GIWP

Time	Contents
13:50–13:55	Q & A
13:55–14:15	<i>Construction and Management of Water Projects in China</i> Mr. Hou Chuanhe, Deputy Chief Engineer, GIWP
14:15–14:20	Q & A
14:20–14:50	<i>Presentations by DMCs</i> Representatives from Tajikistan, Thailand, and Viet Nam (TBC)
14:50–15:00	Q & A
15:00–15:20	Coffee Break
	Theme 4: Aquatic Environment Protection and Restoration Moderator: Mr. Zhang Qingfeng, Director, Natural Resources and Agriculture Division, EARD and Chair of Water Sector Committee, ADB
15:20–15:40	<i>Introduction of Aquatic Ecosystem Protection and Restoration for Rivers and Lakes in China</i> Mr. Peng Wenqi, Director, Department of Water Environment, IWHR
15:40–15:45	Q & A
15:45–16:15	<i>Presentations by DMCs</i> Representatives from Sri Lanka and Uzbekistan (TBC)
16:15–16:25	Q & A
	Closing Session Moderator: Mr. Liu Yongfeng, Director, DICST, MWR
16:25–16:45	Wrap-up and Closing

Field Visits

June 23- Field Visit to the China Institute of Water Resources and Hydropower Research (IWHR)

Time	Program
8:00	Field visit to IWHR, visit the Daxing Experimental Research Base for water-saving irrigation, sediment control, water conservancy machinery, and hydraulics laboratories. Exchange scientific research achievements on water resources, laboratory, and main research direction; and discuss cooperation field in future.
12:30	Lunch Break
14:30	Flight from Beijing to Yichang (CA1823, 17:05-19:40) Accommodation in Yichang (Yichang Three Gorges Project Hotel)

June 24- Field Visit to Three Gorges

Time	Program
8:00	Field visit to the Three Gorges Reservoir. Exchange project planning and construction process, project scale, main function, and project regulation of the Three Gorges.
12:30	Lunch Break
14:00	Depart to Wuhan (Yichang East Station to Hankou, High-speed Rail D5820, 16:08-18:22). Accommodation in Wuhan (Wuhan Conference Center)

June 25- Field Visit to CWRC and ADB Loan Project

Time	Program
8:00	Field visit to Changjiang (Yangtze) Water Resources Commission of MWR (CWRC) and introduction to integrated river basin management, flood forecasting and warning system, and pollution control, etc. Exchange discussion with CWRC and the Changjiang Institute of Survey, Planning, Design and Research
12:30	Lunch Break
14:00	Field visit to ADB-financed Wuhan Wastewater Treatment Project
18:00	Dinner Accommodation in Wuhan (Wuhan Conference Center)

June 26 -Departure from Wuhan
