Achieve meteoric economic and social transformations.

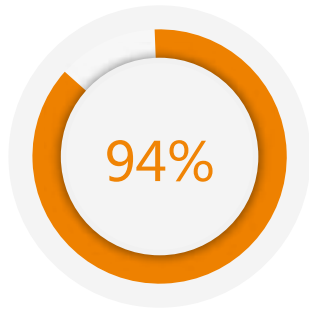

Unbalanced growth causes social and economic gaps as regions and people are left out of China's historic rise.

Use Vocational Education to Equip disadvantaged youth to break and keep themselves and their families out of poverty

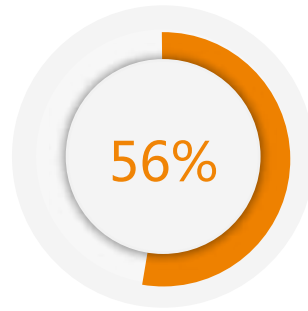

Small schools that provide **free, high quality and relevant vocational and life skills education** for disadvantaged students .

BNVS Students: 15-20 year old youth from poverty-stricken families

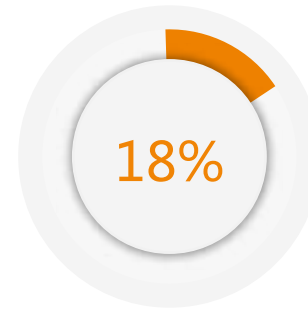

From rural areas

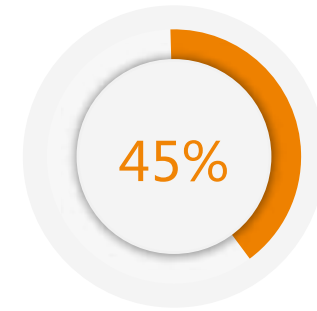

From families with special circumstances

Orphans ; Single parent ;
Parents who are severely ill,
disabled or imprisoned

Are ethnic Minorities

Including 24 minority
ethnic groups

Are female

BNVS provides students with the means to continue their schooling

Since its establishment in 2005, all BNVS Operations have been funded through charitable donations.

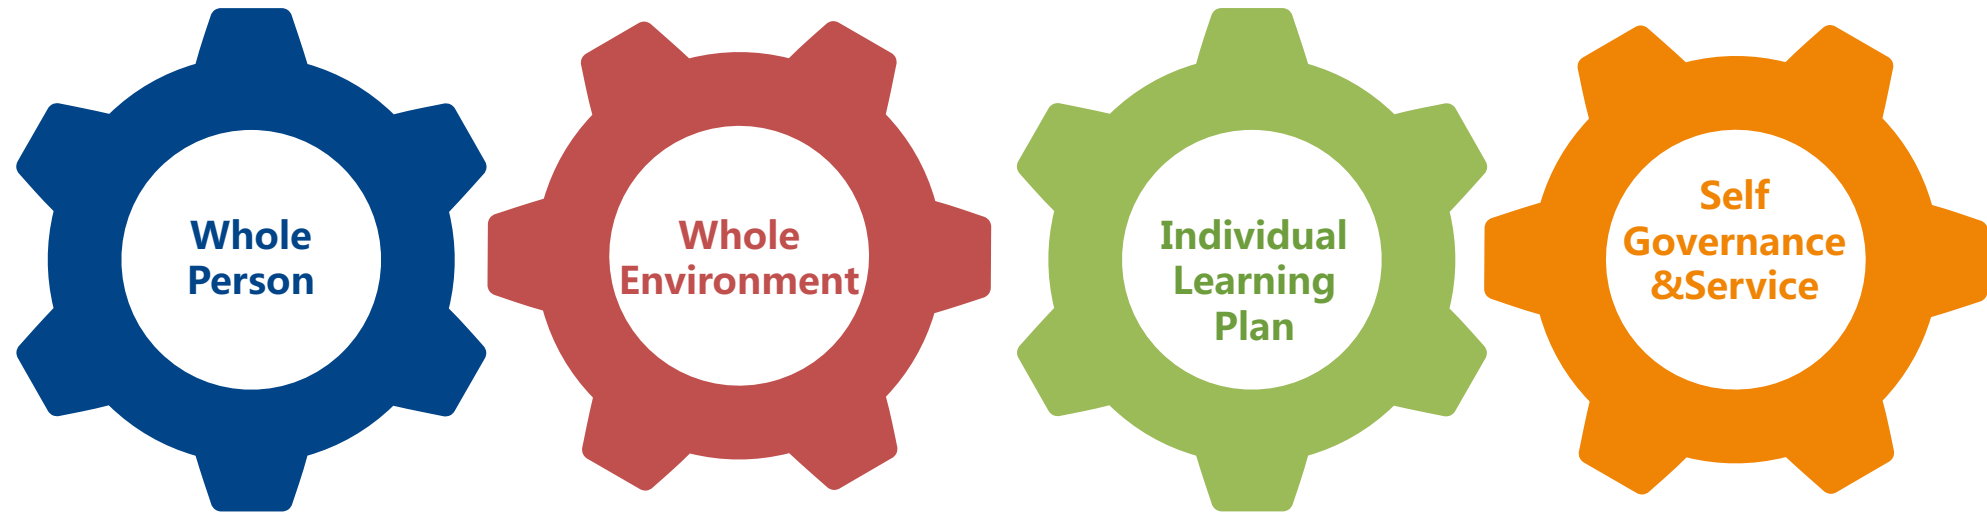

Over **550** organizations and companies have become donors.

Over **5000** individual donors.

Total Donations: **300 million RMB**

Each donation is publicly acknowledged , Each expense is audited and accounted for

Clean

- ❑ Strict Budget Control
- ❑ Multi-dimension Auditing

Transparent

- ❑ Fully compliant Information disclosure
- ❑ All Donations and donors reports are open to public

Effective

- ❑ Streamlined Team Structure
- ❑ Systematic Trainings

BNVS Board Governance

- The BNVS Board of Governors is the highest decision-making authority in BNVS.
- The Board operates in full accordance to its approved and registered Constitution, related procedures, processes and principles, and obligations and responsibilities.
- BNVS Board members receive no remuneration, compensation or benefits of any kind for their service.

BNVS Principles of Charity & Giving

Make Charity Become a Habit

BNVS' annual major charity event has created a well-respected and trusted charity brand in China, and built an important platform to promote the culture and habit of philanthropy.

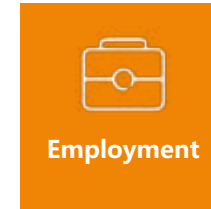

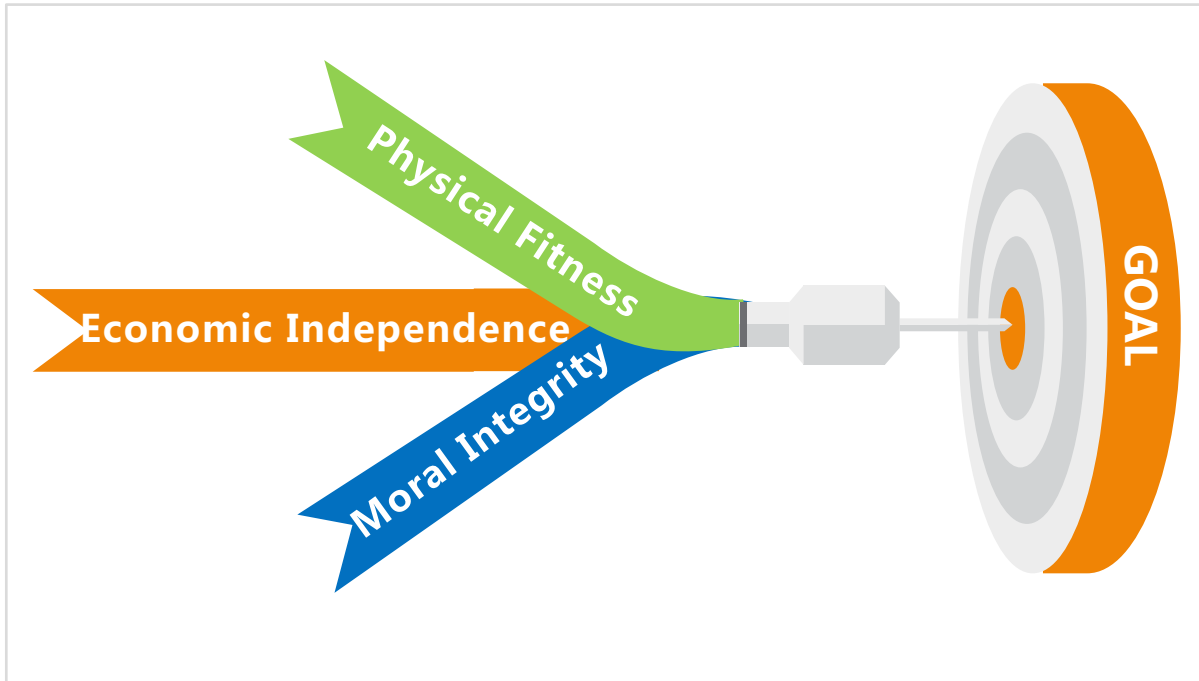

Build a Dedicated Volunteer Team

BNVS' dedicated volunteers contribute their indispensable professional skills, capabilities and heart to help ensure success in all that BNVS accomplishes while promoting the gift of giving.

Combine Charitable Activities and Student Education

BNVS' charitable activities are educational opportunities, as BNVS student participation allows students to demonstrate the value of a BNVS education, while building self-confidence.

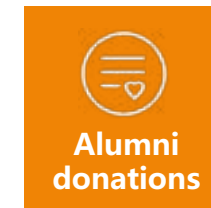

100%

BNVS graduates are fully employed and secure living wage job offers in their vocational fields.

30%

The percent of BNVS graduates who continue with higher education while working.

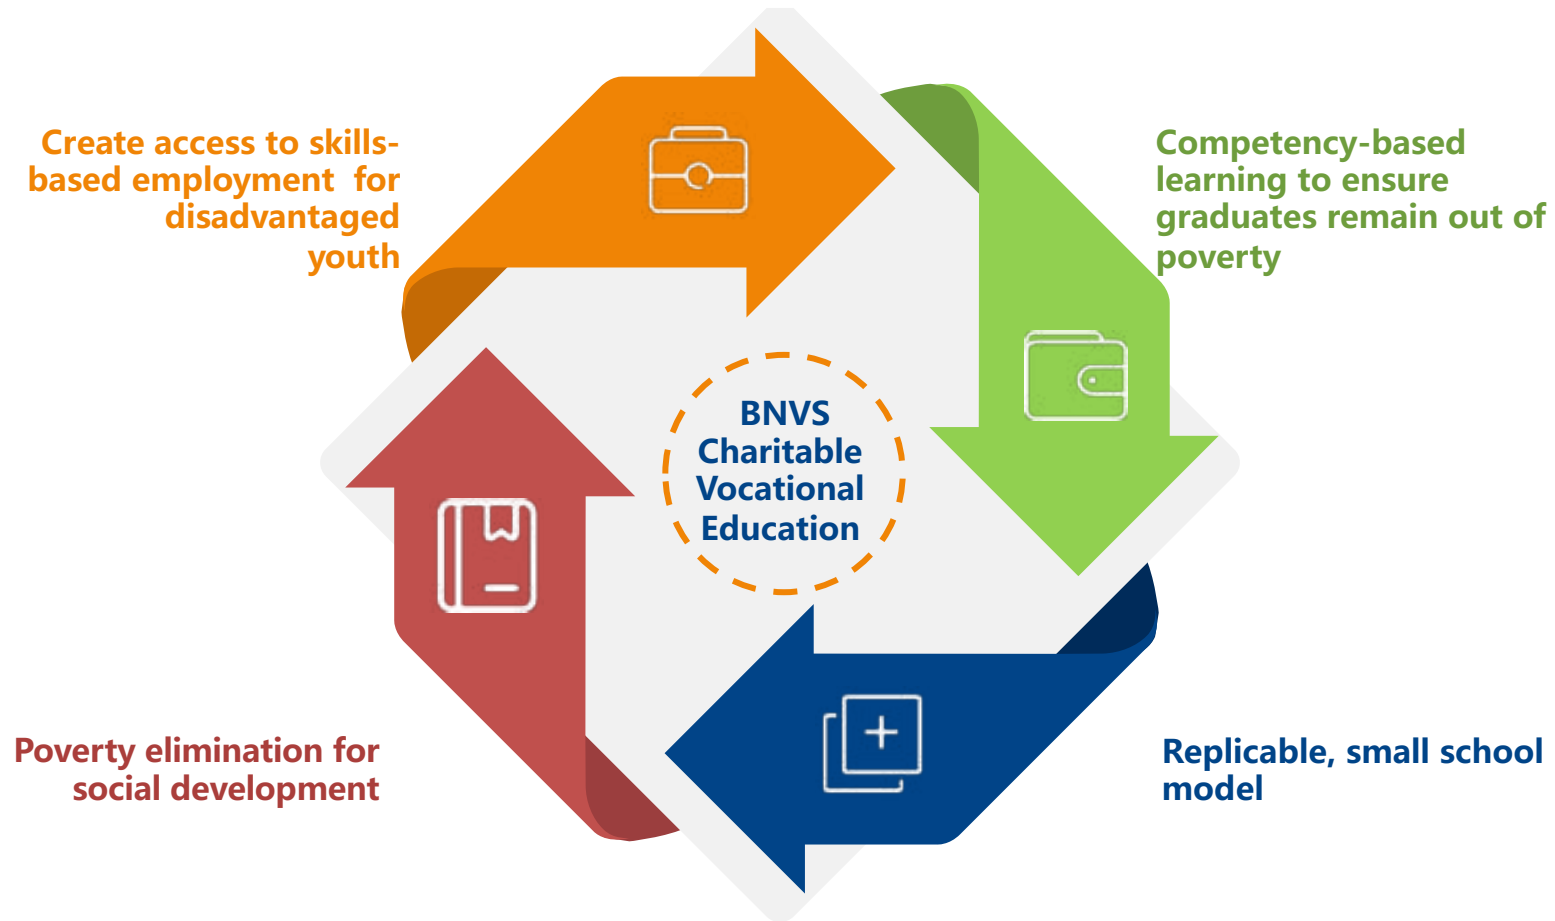

2,153,582.49

Total amount of BNVS alumni donations (as of April 2019)

Training, Exchanges & Workshops on Vocational Education as a means to alleviate systemic poverty.

Education Lights the Journey of Life
