2. ODA KOREA

ODA KOREA : Building TRUST
(Transparency, Resilience, Unity,
and Safety Together)

Address by President Moon Jae-in to the 73rd World Health Assembly

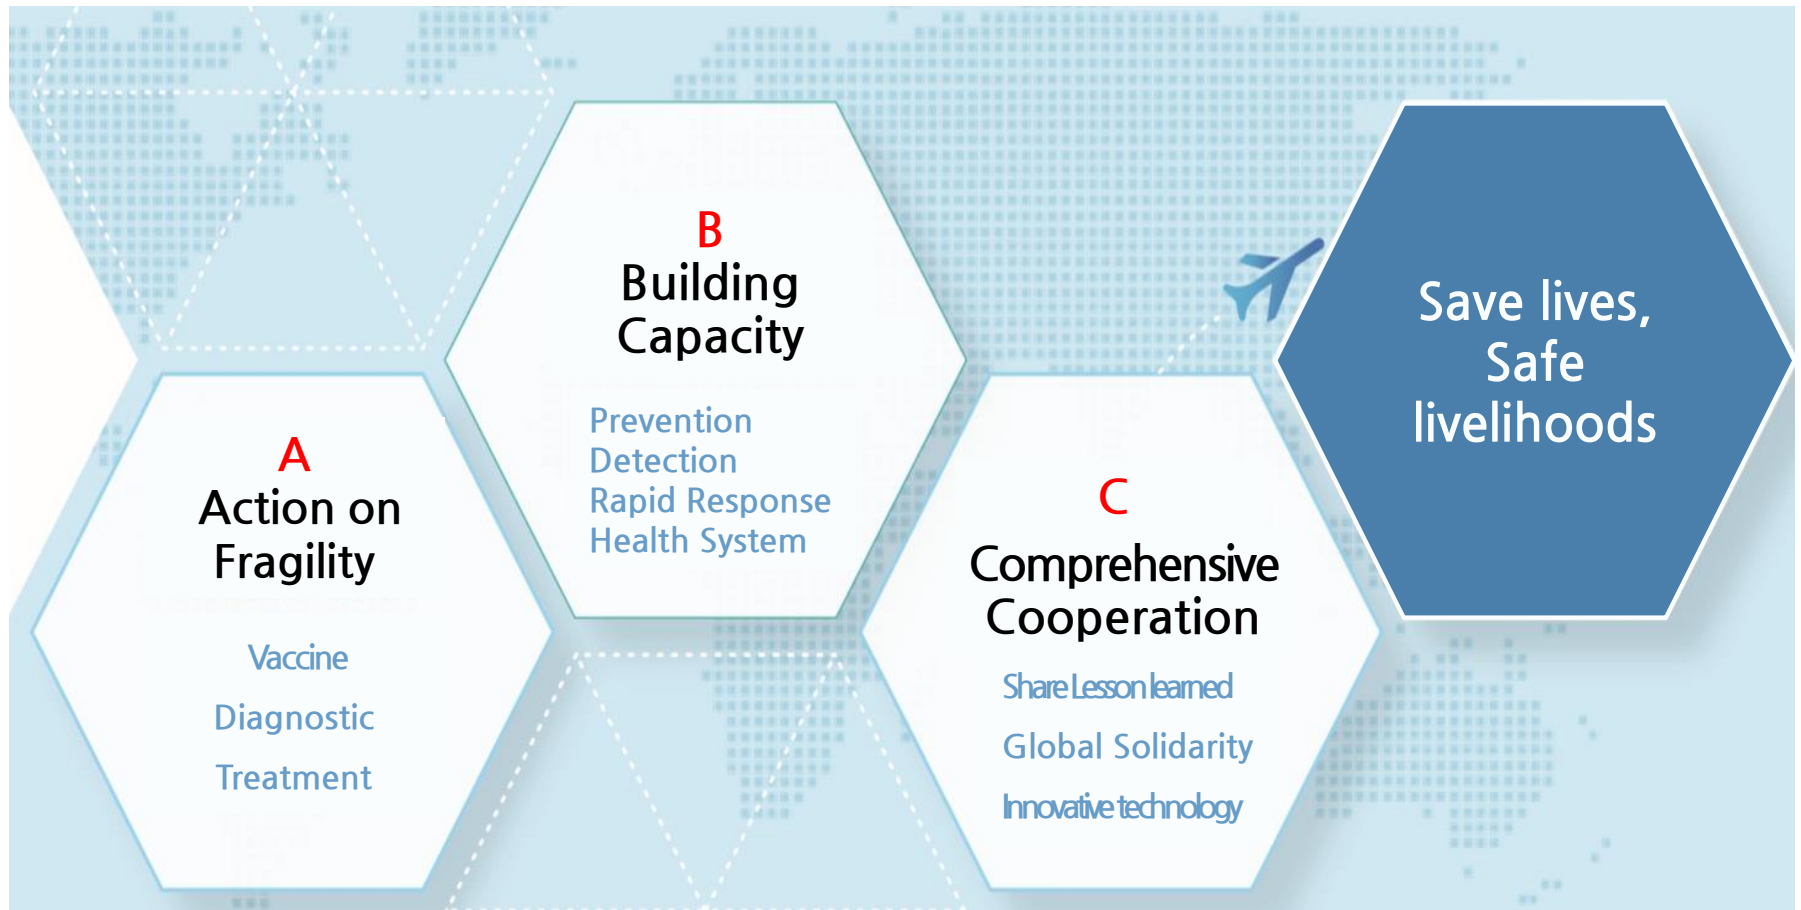

"main principles of **openness, transparency, and democracy**"

"COVID-19 is threatening our freedoms,
a universal virtue of all humankind,
but it is **solidarity and cooperation**,
based on such freedoms,
that will prove to be the strongest weapon
we have to triumph over COVID-19. "

"We must expand our **humanitarian assistance** for countries
with vulnerable **healthcare systems**,
and **share our experience** of responding to COVID-19.
Until the day everyone is free from COVID-19,
we must work together and **leave no one behind.**"

3. Tackling COVID-19 (ABC Program)

Agenda for
Building Resilience against
CCOVID19 through development cooperation

4. ABC Framework

Save Lives, Safe Livelihoods

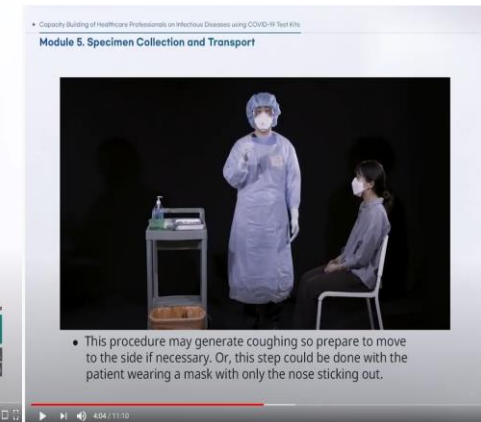

Programs	Response (2020-2021)	Resilience (2022-2024)
Action on Fragility	<ul style="list-style-type: none"> • Provide diagnostic kits • Support drug & vaccine development • Provide emergency support to vulnerable groups 	<ul style="list-style-type: none"> • Support capacity building on diagnostics for infectious diseases • Support provision of drugs and vaccine • Support comprehensive resilience building for vulnerable groups
Building Capacity	<ul style="list-style-type: none"> • Support preventive efforts by raising awareness • Build capacity for early detection <ul style="list-style-type: none"> - Provide untact education for healthcare workers • Build capacity for rapid response <ul style="list-style-type: none"> - Provide online-based FAQ 	<ul style="list-style-type: none"> • Strengthen institutional and policy capacity for managing infectious diseases • Strengthen human resource development, capacity building of laboratories and surveillance system • Strengthen capacity for multi-sectoral joint response & crisis management
