

SUSTAINABLE TOURISM DEVELOPMENT PROJECT IN MONGOLIA

The project aims to transform two national parks as models for economically inclusive tourism and conservation in these protected areas through improved park infrastructure, sanitation, and capacity to sustainably manage tourism growth.

Strategic agenda: Environmentally sustainable growth, inclusive economic growth
Sectors: Agriculture, natural resources, and rural development; industry and trade

ABOUT THE PROJECT

\$1.1 MILLION

from ADB Japan Fund for Poverty Reduction

Khuvsgul Lake National Park in Khuvsgul *aimag* (province) and Onon-Balj National Park in Khentii *aimag*

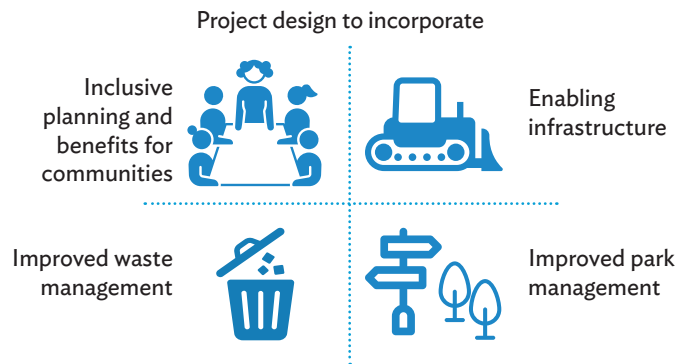

Part of efforts by the Government of Mongolia to manage national parks
